## Payment information;

Using the 'School Gateway' app is the most efficient way of paying money to the school, it removes the need for pupils to carry cash. **It will now be the school's preferred method of receiving payments.**

However, if the 'School Gateway' app isn't accessible to you, then cash or cheque payments can be made by pupils to the School 'Cash Office' at the following times – 8.00am to 8.30am, Breaktime or Lunchtime.
