

Year 11 Intensive Revision Sessions - June 2022

From Monday 6 June, the Yr 11 timetable will be suspended, pupils will only need to be in school to sit their remaining exams but they may elect to attend any intensive revision sessions run by subject staff during this period.

The timetable below outlines the intensive revision sessions that will be running in school during this time to support revision work. We encourage pupils to attend the sessions for the subjects they are studying. Details of the specific times and the rooms where the sessions will be held will be communicated via the Google classroom for each subject. Pupils should arrive no more than 10 minutes before the start of each session and will need to enter the school site via the main entrance.

Date	AM		PM
Monday 6 June		Geography 10:20-12:20	Maths 1:05-3:00
